### Lion to Provide Emergency Aid to Ukraine

The Lion Group extends its deepest sympathies to the many casualties and refugees of the crisis in Ukraine.

Lion Corporation has decided to donate 500,000 euro to the Japan Red Cross Society as emergency humanitarian relief for the people affected by the crisis in Ukraine and the surrounding region. Lion also plans to donate oral care products as well as hand soap and other hygiene-related products for use by refugees. Furthermore, the Lion Group will proactively advance efforts to provide employment opportunities to refugees arriving in Japan.

The Lion Group has maintained a commitment to “Fulfilling a Spirit of Love” since its founding and regards contributing to health, comfort and cleanliness in daily living as its mission.

Lion again offers its heartfelt condolences to all those affected and its sincerest hope for a speedy resolution of the crisis.
